The Arc

Rockland
New York

Stronger Together!

The most critical reason for increasing our membership!

- **Members provide clout!** A large membership means a louder voice is heard by local and state legislators and national policymakers.
- **Members provide opportunities** for more of our citizens with intellectual and other developmental disabilities and their families to have access to programs and services, a say in advocacy efforts, and awareness of The Arc presence.
- **Members fuel dollars** to fulfill our commitments to those we support. Membership dues help generate funds to provide vital programs and services.
- **Members drive a better informed public.** Awareness is an outgrowth of membership and is a critical step to creating society-wide acceptance of people with intellectual and other developmental disabilities.
